Under the direction of John Barnhart, Dean of Activities, the SLOSH leadership class has generated the feelings of unity and school spirit throughout the entire student body. Through their immeasurable efforts they have made movie nights, assemblies and other extra curricular activities available to the students, not to mention the well-organized and unique homecoming week, "TIGERS ROARING TWENTIES".

Although the acknowledgement goes to the entire cabinet, the tireless efforts and dedication of our A.S.B. President, Kathy Kahn, shines forth. In times of stress, she was always there to help pull the school through with encouragement and pride and always a friendly smile. The leadership of 1979-80 has achieved their goal of making students aware that a school is more than buildings, it is the student body itself.

The Theme was chosen: "Tiger's Roaring 20's." The week was an array of sights and sounds directly from Hollywood in an era of movies and Charlie Chaplin. An Assembly with off-the-wall skits; a parade through Downtown SLO consisting of antique cars filled with Homecoming Princesses, and a rally at Mission Plaza well took care of Friday afternoon. The evening began with the kick-off against Righetti at 8:00 and at 9:00, the halftime show paraded its way around the Field. Special guest star, Charlie Chaplin arrived to crown the Queen, courtesy of Bengal Productions. The movie set carried everyone back a small step in time and for a very brief moment, 1925 was in the air. Immediately following the game was a dance, brilliantly decorated, to honor Suzanne Romney, our Queen, and her Royal Court. It is true that it is over, but when all is said, and done, it's the lights, the sounds and the laughter that prevail.

This year, fourteen Presidential Classroom students went to Washington, D.C. for seven exciting days. From morning to night, their hours were packed with seminars, meeting new people and learning first-hand the operations of our government.

Before the trip, P.C. members could be seen making sundaes, selling apples, organizing car washes and sponsoring dances.

Tired students reluctantly returned from the bustle of Washington to books and classes, but surely none will forget all the fun and adventures they experienced.

The "Tiger's Roar" after a period of dormancy, revived itself through hours of excessive manpower, to become, yet another form of communication for the SLOSH student. The newspaper has gone from a school-produced 8 ½" x 11" news sheet, to an 11" x 17" format featuring pictures. The struggle to reconstruct the ill-fated "Tiger's Roar" is not over, only the dedication of future students will insure the survival of this publication.

Art has come of age for the students of S.L.O.S.H. They continue to find personal challenges and satisfaction with their creative efforts. Each year more and more recognition to the college prep. art student as well as students that will be the future contibuting members of our society.

Advanced Placement in Art, which develops the art student to allow them to start in college at a higher grade, has grown in members and quality. New scholarships are being sought for to help the college-bound art student.

With the new Art rooms being completed this year, the Art department hopes to bring new courses available to students. Graphic design, silk screening, printmaking, vocational and applied design are possibilities.

This year's new gymnasium was given a definite artist attraction by the designing of the tiger in the center of the court. The acknowledgement for this beautiful and unique addition to our school goes to senior, Brian O'Reilly.

SPEECH AND DEBATE

The SLOSH Speech Club went through a brief dormant period at the beginning of the year, due to the loss of their coach, Mr. Jackson. The team was put back into action when Tina Vaudrin, a Cal Poly speech major, stepped in to take over the coaching job. Coach Vaudrin brought in Cal Poly students to help coach team members for individual events. Three powerful debate teams were formed and these teams were expected to do well in the Mar Monte Forensics League Tournament.

The team participated in tournaments ranging from U.S.C. to U.C. Berkeley. Their goal was to participate in the State Championship Tournament at San Jose State University.

Future Homemakers of America-Home Economics Related Occupations (FHA-HERO) is a national vocational education student organization for home economics students in Junior and Senior High Schools, both public and private. The California Association FHA-HERO has a membership of approximately two thousand six hundred young men and women in more than one hundred forty chapters. FHA-HERO is for any student who is enrolled in or has been enrolled in a consumer and homemaking program. It is directed for and by students.

The goal of FHA-HERO is "To help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement." One of the methods used to help promote this goal is the Competitive Recognition Events (CRE) which are Energy Conservation, Sales Preparation, Job Application, and Interview, Child Care, Prepared Speech, Chapter Manuel, Chapter Exhibit and Community Involvement.

The activities SLOSH FHA has been involved in include Holly-grams, the first Leadership meeting in Duham, February 2 and 3, Cupid-grams, Subregional meeting in San Luis Obispo March 6 (CRE), ice skating March 8, Region meeting in Morgan Hill March 22, State meeting in Palo Alto April 26-29.

Despite many hardships, the seventh period rehearsals, the bleeding lips and the shattered eardrums, the SLOSH Jazz Band continued to delight the ears of Spaghetti Feed and concert goers. Under the leadership of Conductor Lyle Stubson, the Jazz Band performed obscure pieces such as "Amazing Grease", "Fast Forward" and "Screaming Chocolate Mess." With only three returning seniors, the Jazz Band had a lot of work to do to get the group to become as one. After a while, however, it all came together, and anyone in the Band Room after school was blown away by solid walls of sound. After-practice jam sessions were numerous, and several band members wailed away at the blues without the help of their illustrious director.

ORCHESTRA MEMBERS: (left to right)-Suzanne Romney, Mr. Dimond, conductor, Shawna Schneider, Marsha Marian, Elizabeth Bailey, Aaron Romney.

Orchestra, conducted by Mr. Donald Dimond, is composed of dedicated musicians prepared to perform not only in daily classes, but for concerts for community groups which are presented at Christmas time and at the Spring Concert and Senior Farewell Concert.

Individual members audition for statewide orchestras which are sponsored each year by the California Orchestra Directors' Association and by the California Educators' Association.

What does the word carousel bring to mind? Do you think of laughter? Fun? How about music? Well, here at SLOSH that's exactly what Carousels means. Aboard the San Luis Carousels are sixteen talented singers. These selected few perform all over San Luis for different schools and groups.

The Concert Choir at San Luis High School is another group of talented people. They provided melodious performances throughout the year.

These choral groups work hard to keep their superior reputation. Their dedication shines on them and their director, Lyle Stubson.

The 1979-80 Tiger Marching Band was the largest ever fielded by SLOSH. Boasting a total of seventy-two pieces of blaring brass, whining woodwinds and pounding percussion, the Band executed intricate halftime maneuvers at each home football game. Led by Drum Major Albert Betita, the Band marched in 90 degree heat during Paso Robles' Pioneer Day Parade and in 40 degree cold in the San Luis Obispo Christmas Parade. However, through obstacles great and small, the Band never lost its sense of humor. Always the rowdiest group at the games, interesting and sometimes questionable cheers resounded from the stands. But when marching season was over, the Band managed to settle down and produce musical sounds under the direction of "Uncle Lyle."

THEATER 33 PRESENTS . . .

THE MOUSETRAP

Theatre 33 opens their '79-'80 season with Agatha Christie's thriller, "The Mousetrap." Written in a typical British style, this record-breaking play has run 27 years non-stop in London and has delighted audiences around the world.

Stranded at Monkswell Manor Guest House in the midst of a raging snow storm with a murderer on the loose is not exactly the perfect way to spend a vacation. One by one, the guests arrive, loooking over their new residence and assessing one another, as Detective Sergeant Trotter arrives on the scene. During his opening interrogration, Trotter tells the guests of the mysterious murder. On the dead woman's body two addresses were discovered, one being 24 Culver Street, the other . . . Monkswell Manor. The plot thickens when Mrs. Boyle is murdered at the close of Act I. During Act II, the process of revealing the true identity of the murderer is set into action. This delightful cast gave six brilliant performances of a very successful stage play, "The Mousetrap."

1. Giles, played by John Mauro, reads the newspaper which tells of the Culver Street Murder. 2. James Marcotte, who portrayed Mr. Paravicini, takes a moment before rehearsal to get into character. 3. Christopher Wren launches into one of his crazy stories while Mr. and Mrs. Ralston look on.

NUTS, BOLTS AND CARNATIONS

At the end of February, Theatre 33 opened its doors to the public with two more excellent shows. The first, Nuts, Bolts and Carnations, was a lighthearted comedy revolving around the women's lib movement. The show dealt with two men whose wives sent them flowers. One reaction was of excitement, whereas the other was of anger at the fact that the wife sent her husband, "a man," flowers. The play was directed by Susie Johnson, former San Luis Obispo Senior High School student.

1. The tearful good-bye of the two couples at the end of the play. 2. Alfred and Georgia argue over who is boss in the family. 3. Ester explains to Cliff about the "little voice" that came to her. 4. Margaret, played by Sally Shaw, explains to the widows why they should be happy that they are free. 5. Margaret can't believe that women actually sent flowers to men! 6. Cliff and Alfred reflect over their funeral.

MURDER AT THE VICARAGE

The second show was Murder at the Vicarage, another Agatha Christie mystery. The plot dealt with a murder at Saint Mary Mead Vicarage and all the confessions that went with it. The fine cast acted out the complex roles which had the audiences wondering exactly whodunnit.

1. Terri Sherwood hangs on Bill Valentine while Sherri Springer looks away in disgust. 2. The Clement family talk over lunch as their maid, Mary looks on. 3. Miss Marple looks perplexed over the events of the murder case. 4. Moments of reflection for three members of the cast, Sarah Pillow, Terri Sherwood and Terry Lascola. 5. The handsome Lawrence Redding, played by Tom Anderson, looks very cool under the heat of the questioning. 6. At the climatic ending of the play, Lawrence Redding accidentally shoots the woman he loves

GUYS AND

It all started on Monday March 3, 1980, at five in the evening. After five hours of auditions and several hours of deliberations, a cast of thirty-three was selected to participated in the spring musical, Guys and Dolls.

After tryouts were over, the real work began-blocking rehearsals, lines to memorize, dances to learn, many songs to sing, all before opening night.

Time rushes by and before you know it opening night has come and gone and Guys and Dolls is just a memory for the cast, and for the people who watched it.

This year's actively motivated International Club would have added zeal to any person's life. The year was kicked off by welcoming Sarah Weiss and Robin Endres back from their exchanges in Massachusetts and Germany, respectively. Kristina Ahlquist, the Swedish exchange student and Christa Jooste, the AFS winter program student from South Africa, were overwhelmed with Sunday teas, potlucks, dessert socials, and weekend exchanges. Ice cream bases, the great trek to the Melodrama, skating parties, and hot fudge fondue parties amused the GSC student Marcus Frommlet and the domestic exchange student from Maine, Tammy Norwood. While Tom Silva and Wendy Woolpert awaited their departure dates for unknown lands, the Clubbers tried to keep them occupied with selling spaghetti and turkey raffle tickets and other assorted fund raisers. As IC members cruised down Higuera in their Homecoming float and peddled banana nut bread at their booth in "Christmas in the Plaza" they thought of Kendra Jordison and Eddie Pearce on exchanges in England and Germany.

During second semester IC welcomed Mike Tutt, a domestic exchange student from Vermont. While they participated in kidnapping expeditions and the two-county weekend, Cathy Stoffel enjoyed the snow for a semester exchange in Wisconsin. Members Of the Club were also happy to have Beverly Pratt and Katy Ekegren, domestic returnees, back at good ol' SLOSH. Second semester plans included a fantastic rummage sale, a pizza making/selling extravaganza, talent show, and numerous parties.

The International Club is not restricted to people that participate in the exchanges. There were several members that were not involved in the exchanges, but enjoyed the fun, exciting activities.

YEARBOOK STAFF

Due to cutbacks and no advisor to take the place of Mr. Johnson, this year's annual was threatened. However, Miss Judith Carnell, Drama and Physical Education instructor, decided to take on the role of Yearbook Advisor. Immediately, a staff was formed consisting of people who had never taken part in constructing a high school yearbook. With the help of Susie Johnson, former SLOSH student who had experience in Yearbook, we novices learned the difference between a pica ruler and a cropper. Susie got us on our way.

Deadline time found us working through the wee hours of the night in both the Darkroom and Yearbook room, struggling to get the pages to the factory on time. Many times the light of day was alien to us. But a sense of fulfillment and accomplishment came over us as we pulled down the mailbox flap and sent completed yearbook pages to Visalia.

Through experience we have gained the essential knowledge that will be beneficial for next year's annual of 1981. In this yearbook, we wish to preserve memories that will stay with you for a lifetime. We hope we have succeeded in doing so.

Margaret Apodaca
Editor in chief

Mr. Phil, this is a paper cutter.

The blade has just been sharpened.

Watch out for your feet.

Ohhh Noooo. . .

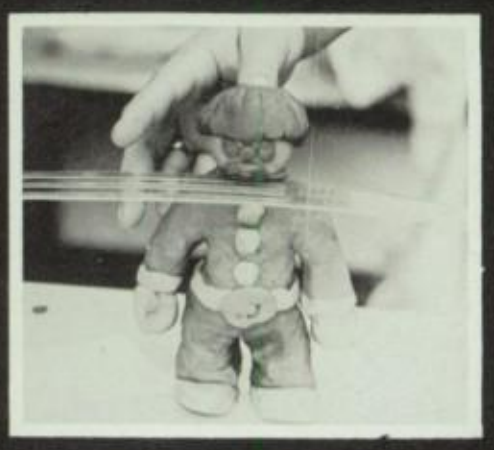
The fresh Yearbook Staff sifts through stale ideas.



Mr. Phil, this is a pica ruler.

Your neck is four picas long.

This is a completed spread.

A stamp of approval is needed.

She approved!

Let's see how wide it is.

Your neck is three picas wide.

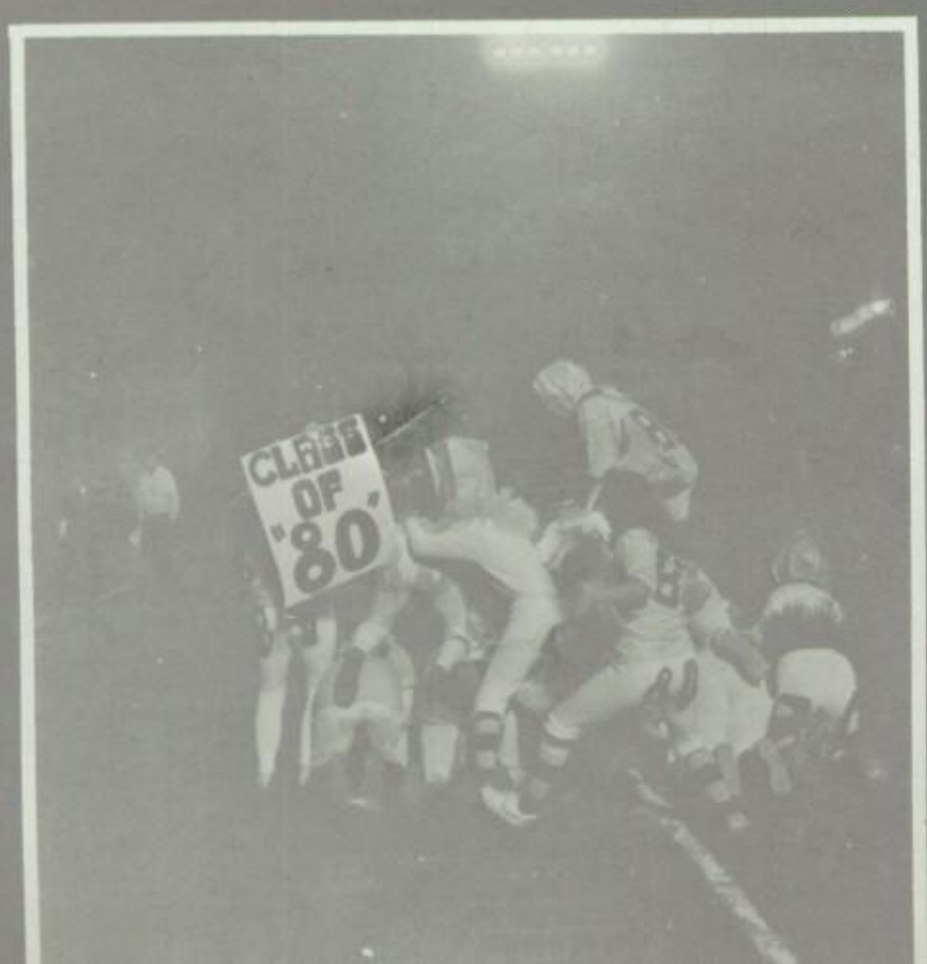
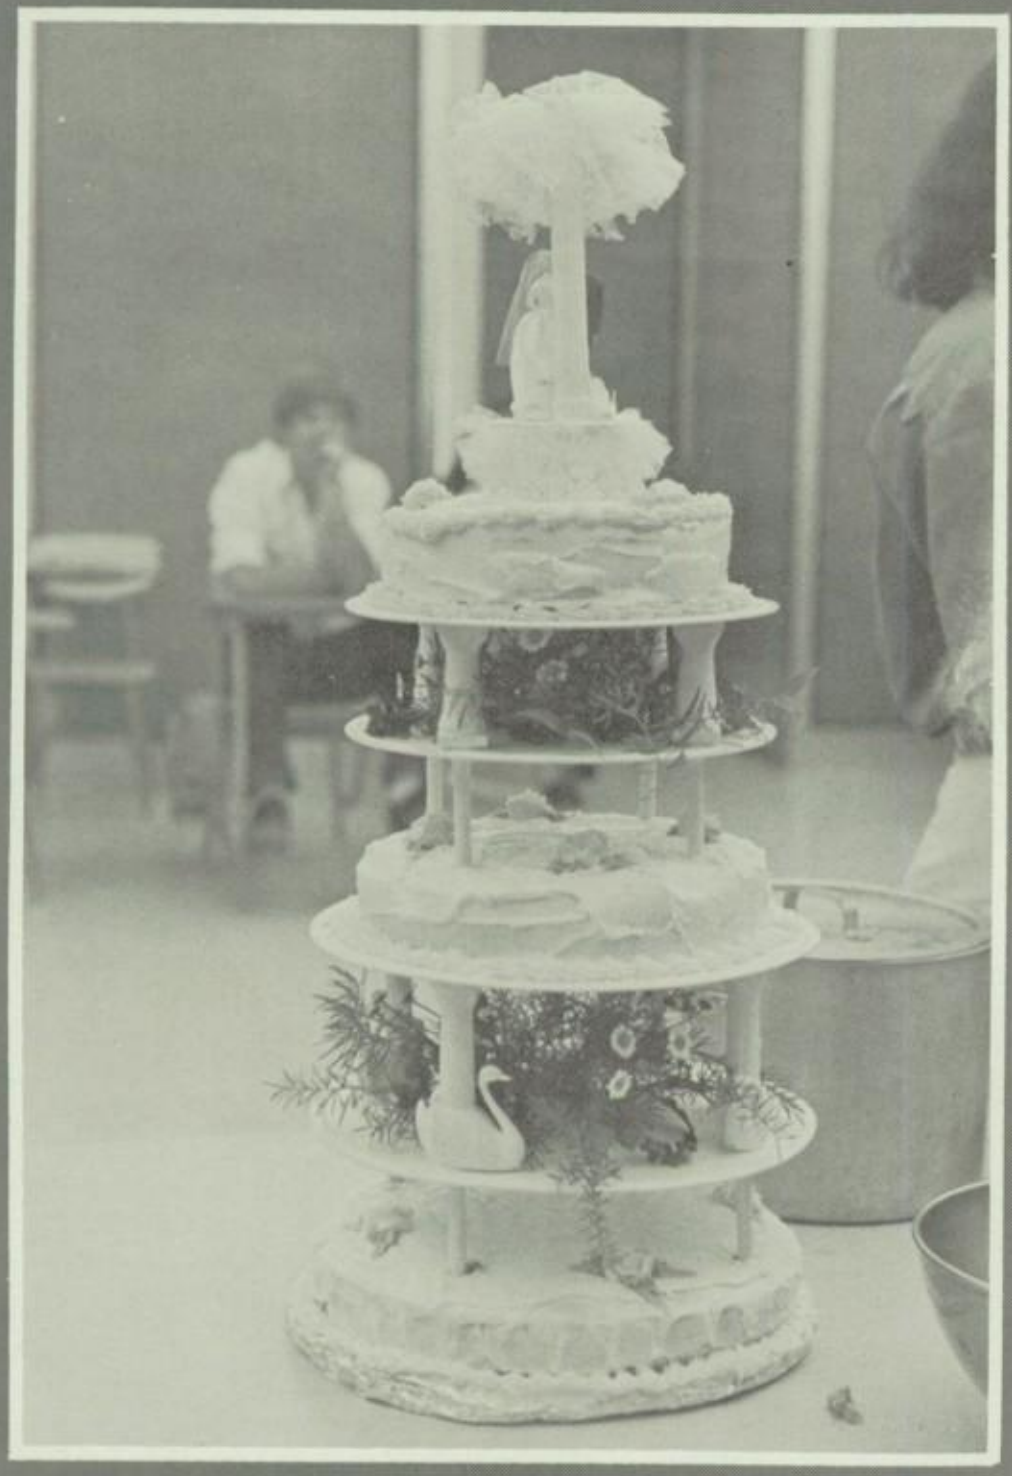
Time will never slow down

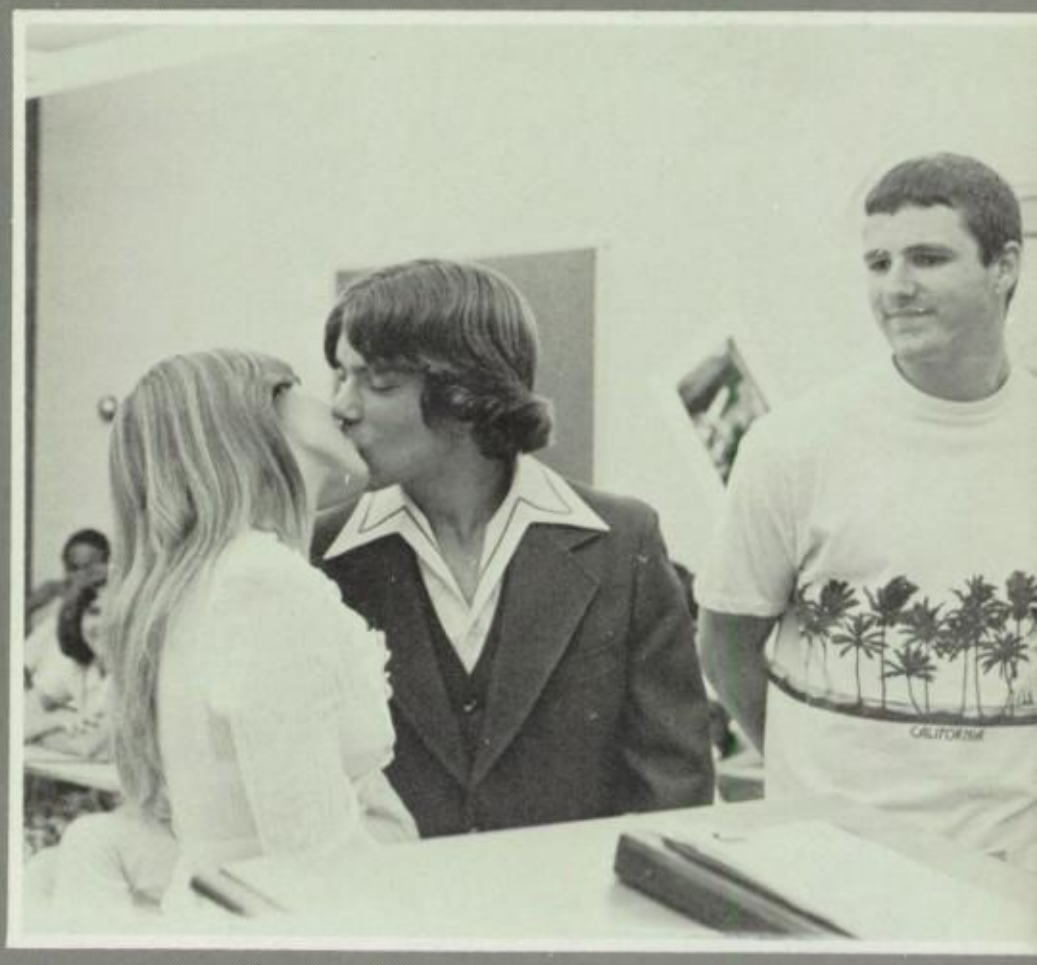
Memories are all in the past

But remembering those High School years

Are memories that will always last. . .







So many friends were made

It seems strange how time can fly.

But keeping those memories in mind

Makes it easier to say Good Bye.

THE 70's

Where were you in 1970? How old were you? Six, seven, eight? Can you play our little game and match up these faces of today with those of yesterday's little tots? If you can't without help, the answers are on the bottom right corner.

Sand Castle

I was always a dreamer.
Walking along the shore,
letting the ocean spray wash my soul.
Looking out at the horizon
for the answers of tomorrow.
Building sand castles
to hold my dreams.
Creating my own world.

When suddenly,
the raging tide,
brought me sharply back to reality.
As I watched
The waves crash along the shore,
Smashing my dreams,
and washing my castle out to sea.
Leaving me alone on a lonely beach.

But for the dreamer,
There is always
Tomorrow.

. . . yells Coach Bruce Smith pointing to the front of the pack. The Tigers, with five newcomers of the Varsity seven, proved to be an intense and tough running team.

The previous school course record was shattered by the entire Varsity team this season. Holding the school course record was Jerry Goldsmith, Rich Brown and then Mike Benton. But the depth of the team including Paul Thorp, Peter Schulze, Robert Escobedo and Peter Roske, fought the Tigers onto winning first place in the Northern League Championships, a CIF birth, and a position to compete in the Nationals of the Western Region. The season record was 7-1.

The invincible JV's ended the season undefeated at 7-0 and League Champions. The strong running of Russel Flores, Andy Hafemeister, and Steve Johnson led the unbeatable pack to victory.

Both teams took numerous trophies and individual awards from invitationals across the state, making this an entirely successful season.

. . . said Coach Brian Waterbury as he added, "For a moment of pain, there's a lifetime of glory."

The girls tried to keep this in mind throughout their successful season. The Tigers, led by Beth Barrows and Barbara Arreola, backed by sophomore Emily Roske and freshman Kath Brennan, and strengthened by Jill Webb, Susie Norris and Trisha Avery, managed to hold true to their words.

For the third straight year in a row, the strength of the distance girls carried them through to capture the Northern League crown. This earned them a position to compete in CIF preliminaries, and racing to their utmost, they went onto CIF finals. To top off their season, they accepted an invitation to compete in San Francisco at Nationals. Girls' Cross Country is still undefeated!

The 1979 S.L.OS.H. water polo team successfully swam their way into the C.I.F. playoffs. This was the first time in seventeen years that our water polo team advanced this far. This is an excellent indication of the abilities of our young team.

The team posted an 8-8 overall record and a league record of 3-2 which ranked them third in the northern league.

The able leadership of coaches Mike Francis and 2-time All-American Mike Beal produced exciting results.

Outstanding players were three-time letterman Chuck Remsen, junior Matt Ekegren and goalie Jim O'Neil. These players were honored by being selected on the all-league teams or with an honorable mention. Next year appears promising, as the entire varsity squad returns with the exception of seniors Chuck Remsen and Duane Pierce.

The J.V. team, although rookies, did well and many of their players will move up to the varsity ranks next year.

The Tigers, under the leadership of Coach Bob Smith, made a very respectable showing this year, but came up a little short in the end. The Bengals started out the season with three big wins including a 43-0 massacre over Paso Robles. Then the Tigers hit rough times in league by losing to Lompoc and Santa Maria, which is ranked as one of the best teams in the state. The team then traveled to Cabrillo and shut them out 7-0. With a league record of 1-2, the Tigers needed to win their last two games to go to the playoffs. They lost a very tough final home game to Righetti, but had the pride to thrash their arch rivals in Arroyo Grande, 20-0 to close up the '79 season. The Tigers finished with a 2-3 league record and 6-4 overall.

"Explosive Offense . . .

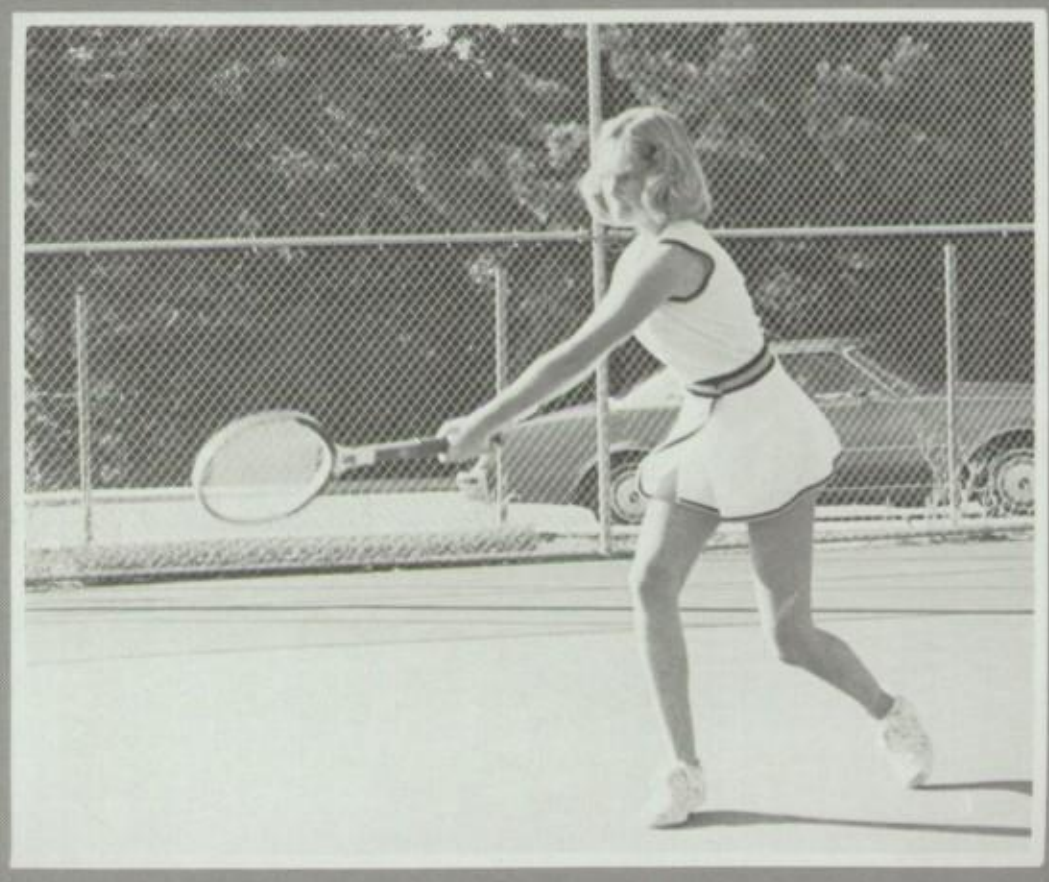
Girls Take It To The Supreme Court



The Girl's Tennis Team had an unblemished 1979 season record of 12-0 which enabled them to clinch the Northern League Championship. This qualified them to represent the league in Southern Section CIF. Outstanding singles' players Pam Smith and Jennifer Stechman, who hold first and second singles spots in the league, fell in the first round of Southern Section competition. The only doubles' team sent from San Luis consisted of Stacy King and Laurie Stechman and this team advanced to the second round of play against tough Southern California competition. In team CIF play, the Tigers topped the first two teams they met, but lost a very close match in the quarterfinals. The season ended with an impressive 19-1 overall record which marks the most progression in CIF competition ever at San Luis Obispo Senior High.

The Girls Varsity basketball team had another outstanding season this year and marked a place in C.I.F. competition. Senior Leanne Armstrong and Suzanne Romney proved to be the strength of the team.

Armstrong was named Most Valuable Player in the Atascadero Tournament and was selected for the All Tourney Team in the San Joaquin Memorial Tournament. Romney was selected for the All Tourney Team in the Atascadero Tournament.

Other standouts include Ann Quaglino with the most steals and Nancy Hoskin with the most rebounds.

With character and intensity, this year's Tiger Basketball Team proved itself to be among the finest to represent San Luis Obispo Senior High. Their challenging pre-season schedule saw the Tigers face nine 3A and 4A opponents who eventually entered the CIF playoffs. After a 1-3 start in the Northern League, the Tigers rallied to a third place finish and a CIF berth. In the CIF playoffs, the Tigers, using teamwork and excellent defense, upset Number One seeded Blair High School and advanced to the second round of the playoffs at Cal Poly against La Serna High School. In a thrilling game, Senior Forward John Duval tied the game to force an overtime and then won it in a last second steal and shot. In the Quarter Finals, a strong and valiant Tiger effort fell two points short against a talented team from Paramount High School. Throughout the season, the Tigers were led by the overall play of Point Guard Joe Leonard and the rebounding and scoring of Jeff Crawford, Tim Ryan and John Duval

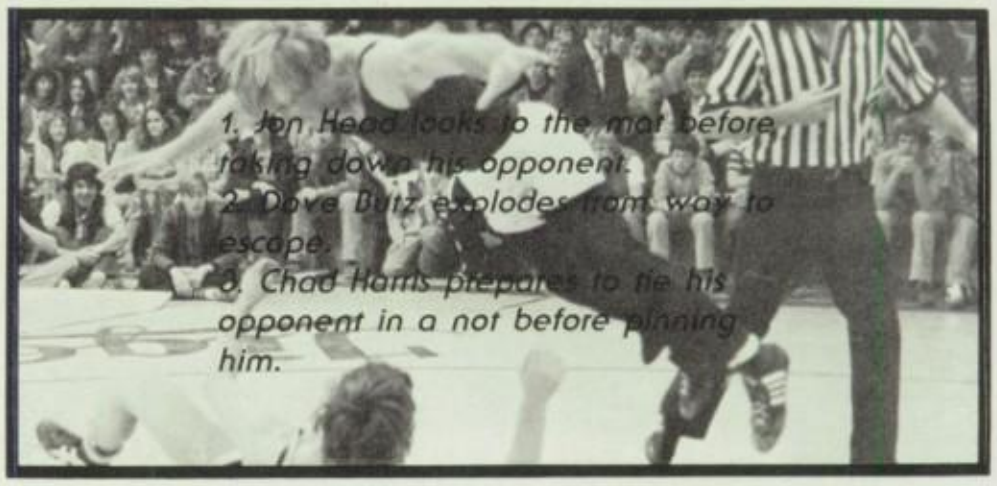
Considering all the problems they faced, the Tiger Wrestling team had a very impressive showing this year. The team finished their season with a 5-5 league record and a 7-5 seasonal record which placed them third in league standings.

This year's team got off to a rough start due to the loss of virtual practice because of construction problems. Valuable wrestlers Reese Blake, Mike Lackore, Matt Creel and Chaylon Holland were periodically barred from participation due to injury.

Although the Tigers suffered these set-backs, the team managed to send eight wrestlers to C.I.F. competition. These standouts were: Justin Holland, Matt Escobedo. Jon Escobedo, Jon Head, Chad Harris, Matt Mc Kinstry, Bob Binkele and Al Pate.

Next year's season promises to be very exciting due to the fact that outstanding 1979-80 J.V.'s will be included in the Varsity line-up.



1. Jon Head looks to the mat before taking down his opponent.

Led by senior co-captains Shawn Quinn and Chuck Remsen, the San Luis varsity swim team had an outstanding season.

One of the many outstanding swimmers was freshman, Wayne Goodrich. Goodrich has broken the school 200 and 500 yard free style records and is working on the 100 yd. back stroke.

Although Goodrich is a definite factor in the teams success, other team members contribute their tireless efforts. Other standouts include Chuck Remsen, Matt Clark, Doug Harvey, Kurt Friedman, Gary Green, Eddie Shapley, Greg Strong, John Ingwerson, Everett Bodine, Shaun Keep, Chris Cooper and divers Shawn Quinn, Andy MacDonald and Randy Pierce.

Several school records have been broken this year and with the coaching of Rick Ernstrom and Mike Beale the SLOSH Tigers will remain to be the team to beat in 1981.

With a new coach and high hopes for a winning season, the Tiger Softball Team hit the field with a burst of new talent and enthusiasm. Coach Park and senior Leanne Armstrong brought all that talent together and formed a skillful team. Much of that motivation came from Leanne Armstrong at first base and Mimi Garza at shortstop.

Although the team had a rough start, things began to look brighter for the Tigers as they made a turnabout at the Santa Ynez and Inglewood victories.

The strength of Coach Leon Criner's varsity baseball team proved to be the seniors of the team.

Standouts included seniors, Norman Baker and John Duval. Baker controlled the right field and led the team in hitting while Duval, fresh off the basketball court, was an excellent starting pitcher. Both Baker and Duval had excellent chances of making the all league team.

Other noteable players included Donny Edwards (first base), Steve Harrow (behind the plate), Joey Leonard (second base), Doug Nulton (left field), and Craig Walker (as relief pitcher).

This year's track team was the largest since 1971. Along with the quantity came notable quality. The boy's team was led by seniors Kevin Gurney, Kevin Elterman, Joe Phillips and David Zwarg. Gurney excelled in high jump and the 100 yd. dash, Elterman in pole vault, high jump, low and high hurdles and the mile relay, Phillips in discus and shot and Zwarg was the "All Around Athelete". Outstanding sophomores include Rich Brown in the 2 mile run and Sinclair Miles, who clinches the 100 and 220 yd. dash records.

The girl's team was led by seniors Kathy Kahn, Jana Burton, Barbara Arreola, and Beth Barrows. Kahn excelled in discus; while Burton, Arreola and Barrows made long distance running look easy.

The future looks very promising for track teams at S.L.O.S.H. as next year's prospects constantly strive for better times, heights and distances.

In Memory Of . . .

Alan Wheeler
Jill Jackson

For Jill, the Seeker

To explore every ocean,
scale every sea

In search of a way
to truly be free.

To sail on the sunset
and ride on a star
to float through a cloudburst
and see from afar.

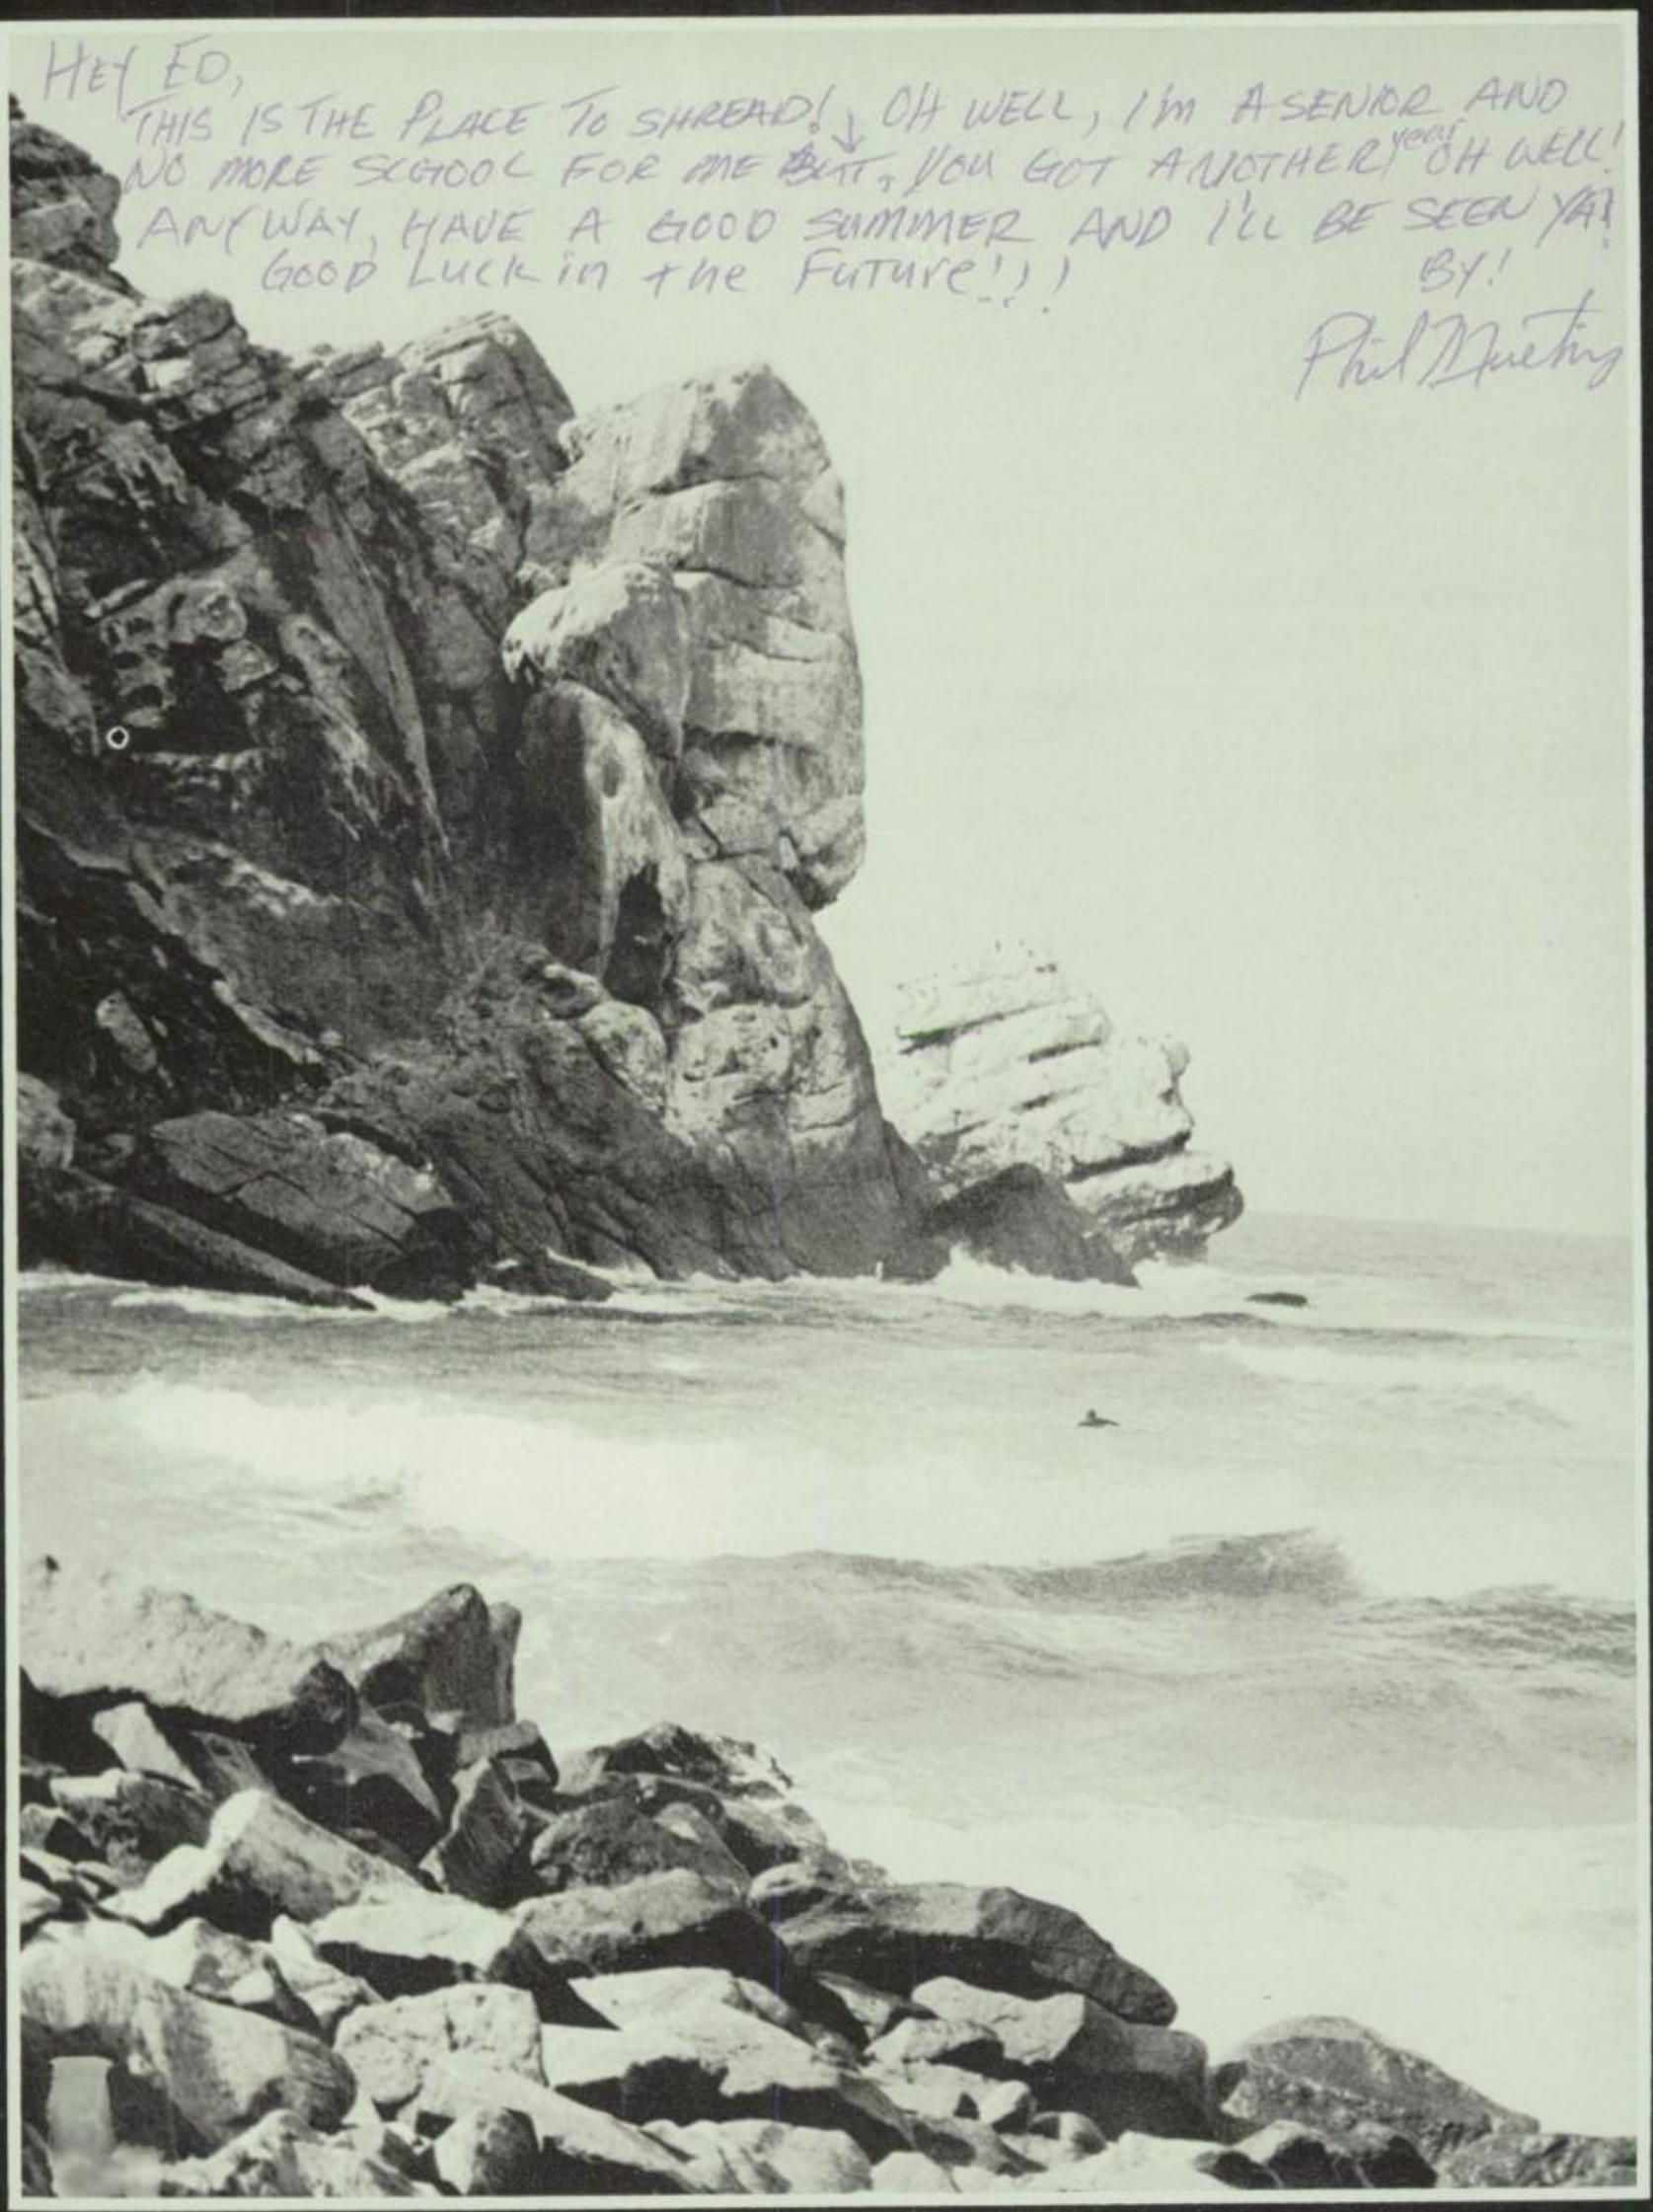
To remember the laughter
of friends at your side

and gaze upon faces
your heart filled with pride.

To smile in the morning
at daybreak and dawn

To treasure each moment
as life passes on

To understand anguish
agony and pain
yet knowing you've found
Peace once again.



HEY ED,
THIS IS THE PLACE TO SHRED! OH WELL, I'm A SENIOR AND
NO MORE SCHOOL FOR ME BUTT, YOU GOT ANOTHER year! OH WELL!
ANYWAY, HAVE A GOOD SUMMER AND I'LL BE SEEN YA!
GOOD LUCK in the FUTURE!!!
